IN NOW PRSPARED TO BELL ABOUT 1,500,000 Acres of IN TRACTS OF 40 ACRES & UcWA -DS.

ON LONG CREDITS AND AT LOW RATES OF INTEREST.

FFRESE lands were granted by the Government to a'd in the construction of this world, and are among the rich and most fertile in the world. They extend from North east and North-west, through the middle of the State, to the extreme South, and include every variety of climate and productions found between those parallels of laturale. The Northern partion is chiefy prairie, intera ctions to ber pre-leminates, alternating with beautifu' prairies and open nga
The climate is more healthy, mild and equable than any other part of the country—the air is pure and bracing, while living streams and springs of excellent water abound. Mituminous Coal is extensively mined, and supplies a cheap and desirable fuel, being fornished at many points at \$2 to \$4 per ton—and wood can be had at the same rate.

Building Stone of excellent quality also abounds, which can be procured for little more than the expense of trans-The great fertility of these lands, which are a black rich moni I from two to five feet doep, and gently rollin, ,-their con ignity to this Road, by which every facility is furnished for travel and transportation, to the principal markets North, South, East, West, and the economy with which they can be cultivated, render them the most evaluable in-vestment that can be found, and present the most favorable opportunity, for persons of industrious habits and small nesne, to acquire a comfortable independence in a few

Chicago is now the greates' grain market in the worldand the facility and scoremy with which the products o there isnded to be transported to that market, made them much more profitable, at the prices asked, than those more remote at government rates,—as the additional cost of transportation is a perpetual tax on the latter, which we t transportation is a perpetual tax on the latter, which mush be borne by the producer, in the reduced price he receives for his grain, &c.

The little is perfect—and when the final payments are made, I seds are executed by the Trustees appointed by the state, and in whom the title i vested to the purchasers, which convey to them absolute titles it Fee simple, free and cient of every incumb far or, lien or mortgage. The prices are from \$3 to \$30; interest only 8 per cent. I wenty per cent will be deducted from the credit price

Those who purchase on long credit, give notes payable in 2 8 4, 5 and 6 years after date, and are required to im prove one-peath annually for five years, so as to have one-half the land under cultivation, at the end of the time. Competent Surveyors will accompany those who wish to examine there Lands, f ee of charge, and aid them in making selections.

The lands remaining upsold are as rich and valuable as those which have been disposed of. See i and M p. wall be sent to any one who will epclose fifty ogn s in Pastago Stamps, and Book or Pamphista containing numerous instances of successful farming, signed by tessecuble and worknown farmers living in the

neighb groad of the Sa brazil Lands, throughout the State -al o throat of feeding, price of cathe, expense of har-vesting, the bing, ste, or any other information—will be cheerfully tiven on application, either personally or by letter, in English, Fre ch, or German, addressed to JOHN WILSON, Land Commissioner of the Illino's Central E. R. Co.
